For boats sold in EC member states, the Owner has legal rights under applicable national legislation and the Consumers Protective Directive 1999/44/EC of the European Parliament and of the Council of 25 May 1999 governing the sale of consumer goods, and those rights are not affected by this Limited Warranty; any claim that the boat was nonconforming at the time of delivery must be made within two (2) years from the date of delivery.

The applicable Warranty Period runs from the date of delivery to the first retail customer. All warranties run concurrently. This warranty extends only to the first retail purchaser, but certain limited warranty coverage may be transferred to a second owner of a used boat who buys it for personal use from a factory authorized dealer or from the first retail purchaser by completing a Warranty Transfer Application and payment of a transfer fee of \$500. Transferred warranty coverage is limited to structural defects in the hull (limited to 5 years from the effective date of the original warranty coverage) and factory installed non-structural parts and components (limited to 2 years from the effective date of the original warranty coverage), and subject to the remaining terms, conditions, limitations and exclusions set forth herein. The Warranty Transfer Application and transfer fee must be received by the factory within 30 days of purchase by the Second Retail Purchaser. Proof of purchase is required. The warranty may only be transferred once.

This limited warranty is the sole and exclusive express warranty from Varatti. To the fullest extent allowed by law, all implied or other warranties (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) are excluded and disclaimed and excluded. If any implied warranty of merchantable quality or fitness is required under local law, all remedies shall be subject to the terms and conditions set forth herein to the fullest extent allowed under applicable law. If applicable law does not allow the exclusion or disclaimer of certain implied or statutory warranties or remedies, then any such implied warranties and remedies shall be limited in duration and scope to the term of this limited warranty or the minimum allowed under applicable law. For boats sold in the US, some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Your sole and exclusive remedy is the repair or replacement, at Varatti's sole option, of parts and components covered by this warranty, and does not include incidental or consequential damages that are specifically **DISCLAIMED** and **EXCLUDED** from warranty coverage. For boats sold in the US, some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you. This boat, including any alleged defective part, must be returned to an authorized dealer within the applicable warranty period to obtain warranty service. The authorized dealer will carry out the warranty procedures on the owner's behalf. All warranty work will be performed at an authorized dealer, another repair facility that Varatti selects or the factory, at Varatti option. The owner is responsible for the expense associated with transporting the boat to and from the repair facility. Any legal action alleging a breach of warranty must be brought within one (1) year from the date the alleged breach first occurred, regardless of the time remaining in the applicable warranty period.

This document contains the entire warranty given by Varatti. Varatti does not authorize any person or persons, including authorized dealers, to change the terms of this express limited warranty, which is Varatti's only warranty.

All future warranty litigation/legal process concerns shall consent to the jurisdiction of the state and federal courts located in Minneapolis, MN.
